## EDUCATION

### Graduate School:

Boston Architectural College  
Master of Design Studies (MDS):  
Design for Human Health

### Undergraduate School:

Oregon State University  
Bachelors of Science:  
Design & Innovation Management,  
Focus in Interior Design

## CREDENTIALS

LEED GA 2021 - Present

## IN PROGRESS

WELL Building AP Summer  
2025

EDAC Fall  
2025

## OBJECTIVE

Dedicated Interior Designer with experience in design management, furthered by a master's degree in Design for Human Health. Seeking to apply expertise in sustainable and human-centered design practices, evidence-based design research, and project management. Aiming to contribute to projects that prioritize occupant well-being, inclusivity, and environmental health.

## EXPERIENCE

### Interior Designer III

LPA Design Studios | Sacramento, CA | Nov. 2023 - Present

- Prepares documentation for Design Development and Construction Document phases of healthcare, education and civic projects
- Creates interior design renderings, curated furniture look-books, and material palettes for client presentations
- Collaborates with multidisciplinary teams (lighting, structural, plumbing, mechanical, and electrical) to detail drawings and develop innovative design solutions
- Conducts research on products, materials and construction methods with a focus on sustainability and human health

### Associate Space Planner

Department of General Services | Sacramento, CA | Feb. 2021 - Nov. 2023

- Simultaneously managed over 35 workplace projects for the State of California consisting of lease renewals, new spaces, and alterations
- Led project kick-off meetings, site visits, construction meetings, site inspections and punch walks
- Developed lease exhibit drawings, interior elevations, floor plans and modular systems furniture (MSF) layouts using AutoCAD
- Served as project manager for all phases of project and construction by facilitating communication between the landlord, general contractor, and client
- Reviewed and approved project schedules, budgets, RFIs, bids, change order requests, construction drawings, and furniture layouts

### Interior Design Intern

2fORM Architecture | Eugene, OR | Summer - Fall 2020

- Created as-built drawings for commercial, healthcare and residential projects using AutoCAD and Revit
- Conducted field measurements and site assessments
- Assisted architects in schematic and design development phases

### Advanced Design Communication Teaching Assistant

Oregon State University | Corvallis, OR | Fall 2019 - Spring 2020

- Taught Revit, AutoCAD, and SketchUp to design students
- Presented Revit modeling techniques and solutions to students

## SKILLS

- Revit, AutoCAD, SketchUp, Enscape, Bluebeam, Adobe Illustrator, Photoshop, InDesign, Microsoft Office Suite and hand rendering
- Incorporating biophilic design applications and research
- Floor plan drafting & construction drawing documentation
- Applying evidence-based design and inclusive design methodologies
